## 👤 Professional Profile

---

I am a Computer Science Engineering Student with a passion for problem-solving and innovation. I am an enthusiastic, self-motivated, reliable, responsible and hard working person. Aiming to start my career as a software engineer in an organisation where my coding skills can be utilized for the growth.

## 🏢 Internship

---

AI AND ML Intern — APSSDC. During my internship at APSSDC, I had the opportunity to immerse myself in the exciting world of Artificial Intelligence and Machine Learning. I contributed to projects focused on developing smart solutions by implementing machine learning algorithms, data preprocessing techniques, and model training. This experience sharpened my skills in data analysis, programming, and problem-solving, allowing me to gain hands-on exposure to real-world AI applications. My time at APSSDC deepened my understanding of AI technologies and fueled my passion for leveraging them to solve complex problems.
